For children more than 3 years old, noon meals not included.

The bills are to be paid monthly.

The above prices are revised every year on January 1st according to the legal index.

They have been worked out with no profit margin. **Therefore, students registered for 6, 10 or 12 months courses who leave before the end of the course are asked to pay the fees for the semester started.**

The short sessions are to be paid in full even if not completed.

This also applies to nursery and accommodation fees.

Students who come outside the periods indicated will be billed on the 3 month basis.

Note : Students who are unable to pay the full cost are encouraged to discuss this problem with the Center. Each case will be carefully considered.
